Frightful Catarrh.

PIECES OF BONE.

a very troublesome entarrh of the head. Se terrible has its nature been that when I

exceedingly offensive. My blood became so impure that my general health was

greatly impaired, with poor appetite and

worse digestion.

relief, until I began the use of B. B. B.,

and three bottles acted almost like magle

Since their use not a symptom has re-turned, and I feel in every way quite re-

stored to health. I am an old citisen o
